

HEARTPRINTS ACCESSORIES

This entire line of heartprints are simply wonderful! As their ads read, "*they charge the atmosphere with the power of positive words.*"

Created by Diana Anastazia and made in the USA by RAWCLIFF of the finest quality. These designs come in Butterflies, Stars, Open Heart, and Celtic designs, all with an imprint of messages of Love, Peace, or wonderful little sayings.

Any one item would make a great gift!

My heart says "Love," which is always a great reminder for me to love myself, not just others.
